About the CR Reporting Awards

Organised by CorporateRegister.com, the CR Reporting Awards are the world's only independent global annual awards for corporate responsibility reporting. The awards were developed in August 2007 to identify and acknowledge the best in corporate non-financial reporting.

Voting took place online between November 2014 and February 2015. All 44,000 registered users of CorporateRegister.com were entitled to vote.

CorporateRegister.com takes extensive measures to ensure the integrity of the voting process. For example, employees of participating companies are not allowed to vote for their own report. This helps to maintain the CRRA's position as the world's most independent and authoritative CR reporting awards programme.
