### **About the CR Reporting Awards**

Organised by Corporate Register, the CR Reporting Awards are the world's only independent global annual awards for corporate responsibility reporting. The awards were developed in August 2007 to identify and acknowledge the best in corporate non-financial reporting.

Voting took place online between April 2021 and June 2021. All 65,000 registered users of Corporate Register were entitled to vote.

Corporate Register takes extensive measures to ensure the integrity of the voting process. For example, employees of participating companies are not allowed to vote for their own report. This helps to maintain the CRRA's position as the world's most independent and authoritative CR reporting awards programme.
