Rank	Company	Report	
1	British Nuclear Fuels plc	Corporate Responsibility	Global Reporters is the flagship SustainAbility research program which surveys and ranks the quality of non-financial reporting. Following on from the success of <i>Global Reporters</i> (2000), <i>Trust Us</i> (2002) and <i>Risk and Opportunity</i> (2004), SustainAbility is partnering once again with the United Nations Environment Programme (UNEP) and Standard & Poor's to produce our fourth international benchmark survey of non-financial reporting: Global Reporters 2006.
